PRESS RELEASE

J&T Group has increased its stake in EMMA Capital

PRAGUE, 5 NOVEMBER 2026

EMMA Capital Holding announces that J&T Group, through the J&T ARCH II qualified investor fund, has completed its second investment in EMMA Group. Following the acquisition of 8.1% of the shares, it now holds a 16.7% stake. The value of the transaction, which builds upon the long-standing, successful and mutually appreciated cooperation between the J&T and EMMA financial groups, was 150 million euros.

EMMA Capital is a private investment holding founded in 2012 by Jiří Šmejc. In recent years, it has focused primarily on markets in the European Union, but is also present in other markets in Europe. In companies in which it acquires an equity stake, it usually plays an active role, overseeing their management, development and any eventual restructuring. EMMA's investment priority is retail and customer-oriented companies, and it is also successfully entering the B2B segment.
